

Ethics Café

**MONDAY, FEBRUARY 4, 2013
3:00-4:00 PM**

GEDDES COFFEEHOUSE

How are unmanned weapons changing the ethics of waging war?

Explore the ways in which the rapidly evolving technologies of unmanned and robotic weapons are changing our moral obligations in war.

With

*Maj. Gen. Robert Latiff (USAF, Ret.)
and Charles Pence*

Ethics Cafés broach ethical issues pertaining to responsible conduct of research, professional conduct, engagement with the public, and other worldly matters.

Drinks and desserts are provided. Open to everyone.
