Email Address: _____ Campus Mail: _____

Primary Research Interests:

Interdisciplinary Interests (*Please describe your cross-disciplinary interests as well as social, policy, or management applications of your research*):

University of Notre Dame Home Department: _____

Year of Admission/Degree Program (PhD, MS, MFA, Law, etc): _____

Major Advisor (or DGS): _____

The mission of GLOBES is to challenge students to think at the interface of the environment and society by exploring pressing environmental issues and the societal implications of those issues. GLOBES integrates ecology, environmental science, engineering, law, policy, and the humanities to inspire interdisciplinary scholarship and engage multiple perspectives.

Please note that your PhD or other degree is earned through your home department and that the GLOBES program certificate is contingent upon your ability to obtain a formal graduate degree.
